PREP '64 50th REUNION

Hello ***Prep Class of '64,***

It's hard to believe that we're celebrating the 50 anniversary of the two great cultural events of the 20th century - our graduation from Prep and the arrival of the Beatles in the U.S. – yes it was that long ago.

The members of the committee have enjoyed catching up with many of you already, and we thought you might like to get a head start on the reunion weekend May 30 - June 1, 2014 as well. To that end we've attached a class list, with current contact information, as best we know it. We encourage you to renew old friendships and make plans to attend the reunion. If you have more up-to-date contact information on any of our classmates, please forward it to Rory Bernier '06, Director of Alumni Relations – rjbernier@fairfieldprep.org and if you haven't already done so, contact you Home Room Rep or Ray McKelvey '64, that you'll be coming. For more info, go to www.fairfieldprep.org/1964. Visit our Facebook page at www.facebook.com/FP1964.

Look forward to seeing you all.
