

Fairfield College Preparatory School

A Jesuit, Catholic School of Excellence

Dear Parents, Guardians, and Students of Fairfield Prep,

Fairfield College Preparatory School has recently partnered with **TextbookHub** to provide our students with digital textbooks until the end of the school year. Students will be able to view all their books through <https://fcp.textbookhub.com/login>.

TextbookHub is committed to helping us through this process and to providing students with their materials as quickly as possible.

If the digital books launch date has already passed, TextBookHub will re-direct you to your bookshelf.

If the launch date is still in the future, TextBookHub will re-direct you to the counter page:

IMPORTANT NOTES: Because we are using different book “platforms,” you will see different instructions for different books. Some books will open natively in the TextbookHub Reader, and some may require login through a different app.

The **Digital Launch Date** for books to be able to be used on the Bookshelf will be **September 1, 2021.**

IMPORTANT NOTE REGARDING PRINT BOOKS

This year, some courses will require print books as opposed to digital books. The print books can be purchased through **TextbookHub** or any other vendor.

For all print books purchased through **TextbookHub**, please take note that they will not be delivered until the end of September. All teachers who opted to go with a print book are aware of this delay and have made plans in their syllabus to adjust for this.

Shipping for all print books is free this year, but shipping cannot be expedited, so please **do not attempt to click on any of the shipping options tabs to try and get your books earlier**. Free standard shipping is the only option available to Prep in the 2021-2022 school year.

For questions about your TextbookHub account, download issues, or problems with payment, please contact TextbookHub Customer Support:
