

2015-2016 **Annual Report**

Thank
you

Fairfield College
Preparatory School

Dear **Friends,**

Fairfield College
Preparatory School

Jesuit education at Fairfield Prep continues to blend tradition with innovation in exciting ways. While our majestic buildings convey the strength of our heritage, creative transformations within ensure constant renewal. We approach the

75th anniversary of our founding with much to celebrate.

There was a flurry of renovations this summer as we developed spaces to meet the learning needs of our students. Walls were demolished and the third floor of Berchmans Hall was dramatically reconfigured into a Fine Arts Floor. Our award winning music, theatre, and visual arts programs have achieved spectacular success with limited resources for years. Spacious new instructional and rehearsal areas now allow them to expand their horizons. Additionally, we constructed new physics and robotics labs to meet the growing demand of students who seek technological challenges. Our commitment to the arts and sciences furthers the distinguished history of Jesuit education in these fields.

Perhaps the most noticeable change has been in our faculty and staff. Legendary teachers and administrators have retired over the past few years, highlighting our need to form Ignatian Educators for the future. While God has graciously inspired a new generation to join us on mission, our task is to help our colleagues deepen their appreciation of Ignatian spirituality and pedagogy. Ignatian formation through the Jesuit Educators Academy is the vital element in carrying our Jesuit tradition forward.

Basically, there is a lot going on around the hallways and playing fields of Fairfield Prep. The only way we can meet today's challenges is through your support. Thank you for your great generosity to Fairfield Prep! I look forward to seeing you during this festive year.

Sincerely yours,

Rev. Thomas M. Simisky, S.J.
President

2016 Year in Review Summaries

Robert A. Perrotta, JD, EdD *Principal*

The 2015-2016 School Year was a successful, but also challenging year. Nothing illustrated the greatness of our Prep community more than watching how we all supported each other during the difficult weeks following the death of freshman student, Joey Kulaga over the Christmas 2015 break and alumnus Hal Smith who passed in our lobby last May. Over the past year, many exciting things have occurred at Prep. The opening of the long awaited Student Life Center has transformed the school creating a space that fosters social interaction and academic collaboration. The expansion and relocation of all art facilities, the creation of two new physics labs and a Robotics lab, plus the iPad initiative, have contributed to enhancing the learning environment of our students. We continue to provide our students numerous opportunities to develop interpersonal skills, a sense of community, and a commitment to the poor and disenfranchised through retreat opportunities and community service projects, locally, nationally and internationally.

The Jesuit Educators Academy continues to assure that our faculty receives continual training in cutting edge methodologies and best teaching practices as well as Ignatian Spirituality that goes to the core of our values as a Jesuit school. I am especially proud of the academic successes of our students who gained admission to some of the most competitive colleges and universities in the country. I am grateful to our parents, alumni and friends who so generously support our efforts to assure that our students are educated by highly trained teachers in state-of-the-art facilities supported by cutting edge methodologies and technologies. On behalf of the entire faculty and administration, I sincerely thank you for supporting the mission of Fairfield College Preparatory School.

Rick Henderson *Vice President for Advancement*

The Fairfield Prep Advancement and Alumni Relations office had a good year. A year consisting of change, but also with continued traditions. The 2015-2016 Annual Fund held steady with a modest 1% increase over the prior year resulting in \$1,088,690 in total unrestricted giving. Another \$1.4 million was gifted, restricted to capital projects, programs or scholarships. Our Fairfield Prep events such as our Annual Auction raised \$335K equaling \$2,903,199 in total dollars for Fairfield Prep.

The Development and Alumni Relations office has great plans for 2017 and beyond, beginning with adjustments to Reunion Weekend and the inaugural induction ceremony of the Fairfield Prep Athletic Hall of Fame. The annual fund will get a face lift with a new name and logo titled, *The Fairfield Prep Fund*. Lastly, we're excited to begin the celebration of our 75th Anniversary. Signage is already visible around campus as well as in our marketing efforts. We'll begin the regional tour around the country in order to celebrate with our Alumni base in Spring of 2017.

The Development and Alumni Relations office is poised for growth and we look forward to enhancing our interaction and connection to our incredible alumni base, current parents and friends. Go Prep!

Greg Marshall *Dean of Admissions*

Fairfield Prep finished the 2015-2016 school year with 891 students coming from all areas of southwestern Connecticut. Total tuition-assistance financial aid awarded for the 2015-2016 school year was \$2,355,123, given to 247 students, representing 28% of the student body. The average financial aid award was \$9,535 which equaled 51% of tuition. In 2015-2016 Prep had 20 students enrolled in the International Student Program (ISP).

Prep continues to live our mission by offering our Jesuit education to everyone. Of the 891 enrollment, we had 254 students under our SEED (Students for Education Excellence through Diversity) Program with 114 of them receiving more than 50% financial aid award. 125 SEED students were also awarded a total of \$52,766 in non-tuition assistance financial aid (subsidies for books, shuttle bus and lunch).

Were it not for Prep's generous financial aid program, in all likelihood our financial aid recipients would not be at Prep, which would mean that not only would they lose out on the unique, life-changing benefits of a Fairfield Prep education, but our school would suffer for the resulting loss of their God-given talents and abilities. For this, we are extremely grateful for the support of our loyal alumni, parents and friends.

Nora Magi *Chief Financial Officer*

Fiscal year 2016 ended in June and we are happy to report that Fairfield Prep continues to remain in good financial condition. The tuition increase was kept to a minimum while at the same time students with financial need received financial aid of over \$2.3M. Our endowment has grown to \$25M and provides relief of 37% to the financial aid distributed to our students. One of Fairfield Prep's strategic goals is to have 100% of financial aid subsidized by our endowment fund.

Prep's facilities are a nice combination of old and new. Our Student Life Center just celebrated its first year anniversary, Arrupe Hall is now 11 years old, while Xavier and Berchmans Halls are approaching 70 years of age. We continue to renovate and improve our facilities to better serve our students. This past summer, the third floor of Berchmans was transformed into a Fine Arts Wing. To create synergies between the arts, drama, music and visual arts are now located together on this wing. Whereas last summer the Music Room was renovated, this summer both the Drama and Art Classrooms saw major renovations which doubled their previous size. In the Science area, two classrooms in Xavier Hall were transformed into physics labs.

As Prep begins the new school year, we have seen a decline in enrollment. A recent demographic survey predicted a decline in the number of students in the applicant pool. As a result, Prep was able to plan and budget for this decline in enrollment without sacrificing the quality of the "Prep Education." Our budget is balanced for fiscal year 2017 and was done so without eliminating any educational programs, athletic programs or extracurricular activities. Throughout this year, we will continue to vigorously analyze revenue opportunities and expenditures in order to provide the best quality education to our students.

Academics

Academics

Just as it has for 75 years, Prep offers just one curriculum: college preparatory. The 2015-2016 Academic year consisted of hands-on education where boys read and write; calculate and draw; form opinions and then defend them. Rigorous course of studies including English, mathematics, science, social studies, foreign language, theology and the arts continue to be a part of the great tradition of learning here at Prep. Equipped with the latest in instructional technology, such as interactive smartboards and electronic podiums, Prep classrooms are offering a modern learning environment. Our results speak for themselves: 100 percent of our graduates are accepted every year at four-year colleges and our average SAT score for 2015-2016 was 1749. Not only do our graduates find acceptance at the country's top colleges and universities, but just as important, they leave Prep well prepared to succeed and excel throughout their college years.

Fine Arts

2015-2016 Fairfield Prep

Fine Arts

Communication, collaboration, and creative thinking – these are the skills students cultivate by engaging with the Fine Arts. Pencil in hand, a student sketches, shapes, and sharpens ideas into fruition. On stage, he pays careful attention to the ways gesture, posture, expression, and voice speak to his audience. Each member of our orchestra, choir and jazz ensemble keys into the musicians around him, and together they seek a unity in their sound. Working in these disciplines affords our students the valuable opportunity to take a leap and learn from the failures and successes of process. At Fairfield Prep, we foster a lifelong love of learning through a lifelong love of the arts.

Christian Service & Campus Ministry

2015-2016 Fairfield Prep

Christian Service & Campus Ministry

In the first principle and foundation prayer, St. Ignatius says, "The goal of our life is to live with God forever. God, who loves us, gave us life. Our own response of love allows God's life to flow into us without limit." At Fairfield Prep our students achieve this goal by participating in our Campus Ministry and Christian Service programs. In 2015-16, our student retreats and service program, including our service immersion trips, saw great participation. The Kairos Retreats had 163 sophomores, juniors and seniors participate; and three Urban Plunge Retreats which had 50 juniors partake in service. Once again, Prep offered immersion trips in Los Angeles and Ecuador, as well as summer trips to Appalachia and Jamaica. A total of 60 students participated in these trips. In 2015-2016 Fairfield Prep students completed an amazing 23,435 hours of service.
